

To all those who lost their home in the Waldo Canyon Fire:

We have sincere sympathy for your loss and pain and want you to know that our thoughts and prayers are with you. This tragic event impacted so many including our friends, neighbors and clients in the Mountain Shadows and Peregrine communities and we want to offer our assistance in any manner that we can be of service to you.

IMPORTANT INFORMATION – It will benefit your family greatly if you review “A SURVIVOR'S GUIDE TO INSURANCE” at www.carehelp.org We can review the information regarding proper Scope of Loss documentation for your insurance verification of costs to rebuild – without cost or obligation.

If you're contemplating rebuilding or repairing your home please know that we at Petra Homes can help patiently guide you through the whole process and make it not only bearable but a positive experience. We can advise you with respect to your insurance claims, negotiate and work with your claims agent to quickly begin the rebuilding process. Our clean-up crew can begin immediately as well as our design, engineering and estimating process.

We will show you ways to make your new home cleaner, greener, and far more energy-efficient; rebuild or redesign your home on its current foundation or even help you with a whole new redesign, if that prospect appeals to you.

Regardless of who you choose to rebuild your home with – be sure to find a local builder that is a Member in Good Standing with the local Home Builders Association to ensure that your warranty needs are met after the home is rebuilt. There are out of town companies that will not be here for your needs in the future.

Do read the many testimonials on our website. They attest to our integrity, professionalism, and personalized attention.

Sincerely,
Mark Kohlman and Stephanie Farr Kohlman
